

SWIFT AEROSPACE SERVICES LTD

CONFLICT MATERIALS POLICY

Swift Aerospace Services Ltd hereby declares that, to the best of our knowledge, our products do not contain any of the Conflict Materials listed below or their derivatives which are sourced from the Democratic Republic of Congo or its adjoining countries.

Conflict Materials being identified as:

- Gold
- Tin
- Tungsten
- Tantalum

Measures are in place to ensure that our supply chain is free from Conflict Materials/

Swift Aerospace Services Ltd will also use all efforts to ensure new or potential suppliers confirm via a signed declaration to ensure:

- Guarantee of non-use of Conflict Materials;
- Requesting that our suppliers undertake commercially reasonable due diligence with our supply chain to assure materials used in supplied materials or products are not sourced from mines in conflict areas.

Swift Aerospace Services Ltd will continue to enhance its Supplier Approval Process to ensure these practices are maintained.
